

Prairie Creek Redwoods State Park

127011 Newton B. Drury Parkway • Orick, CA 95555 • (707) 465-7347

Magnificent groves of coast redwoods, among the tallest trees in the world at three hundred feet and more, adorn this 14,000-acre park. On the ocean side of the park, tall redwood trees grow along the edge of a bluff high above a broad sandy beach. Set aside in the early 1920s by the forethought of the people of California and the generosity of the Save-the-Redwoods League, Prairie Creek is a sanctuary of old growth coast redwood.

PARKING AT DRIVE-IN CAMPSITES is limited to a maximum of three vehicles, including trailers. Parking at walk-in campsites is limited to one vehicle. Additional vehicles must be parked in the designated overflow area. Parking of motor vehicles and trailers is limited to the designated campsite parking spaces only.

QUIET HOURS are from 10 p.m. to 6 a.m. Generators may only be operated between 10 a.m. and 8 p.m. To ensure an enjoyable experience for everyone, please do not disturb other campers, regardless of the time of day or night. Also, radios and other sound-producing devices must not be audible beyond your immediate campsite.

CHECKOUT TIME is noon. Please vacate your site by that time.

DOGS AND OTHER DOMESTIC ANIMALS must be kept on a leash no longer than six feet and under control at all times. They must be confined to a vehicle or tent from 10 p.m. to 6 a.m. Dogs are allowed on paved roads and in developed campgrounds and picnic areas only. They are not permitted on any of the trails.

FIRES are allowed only in established fire rings. Please be cautious when building fires—wildfire danger is especially high during the summer. Do not build ground fires outside the fire rings or leave campfires unattended. All fireworks are prohibited.

RECYCLING CONTAINERS for glass, plastic and aluminum are located throughout the campgrounds and picnic areas. Please do

your part for the environment and separate your recyclables before disposing of your trash.

MOUNTAIN BIKES are not permitted on any of the hiking trails. Please help to prevent erosion and damage to the hiking trails by riding bicycles only on paved and fire roads.

WOOD GATHERING is prohibited. Dead and down wood decays and assists the growth of live trees and other plants. Firewood is sold in the park for your convenience.

FOR YOUR SAFETY please do not feed the animals; park regulations prohibit the feeding of deer and raccoons. Human food is unhealthy for the teeth and digestive systems of the animals. Store your food securely in your vehicle while you are away from the campsite and at night, as raccoons can become very aggressive and will steal food that has been left out.

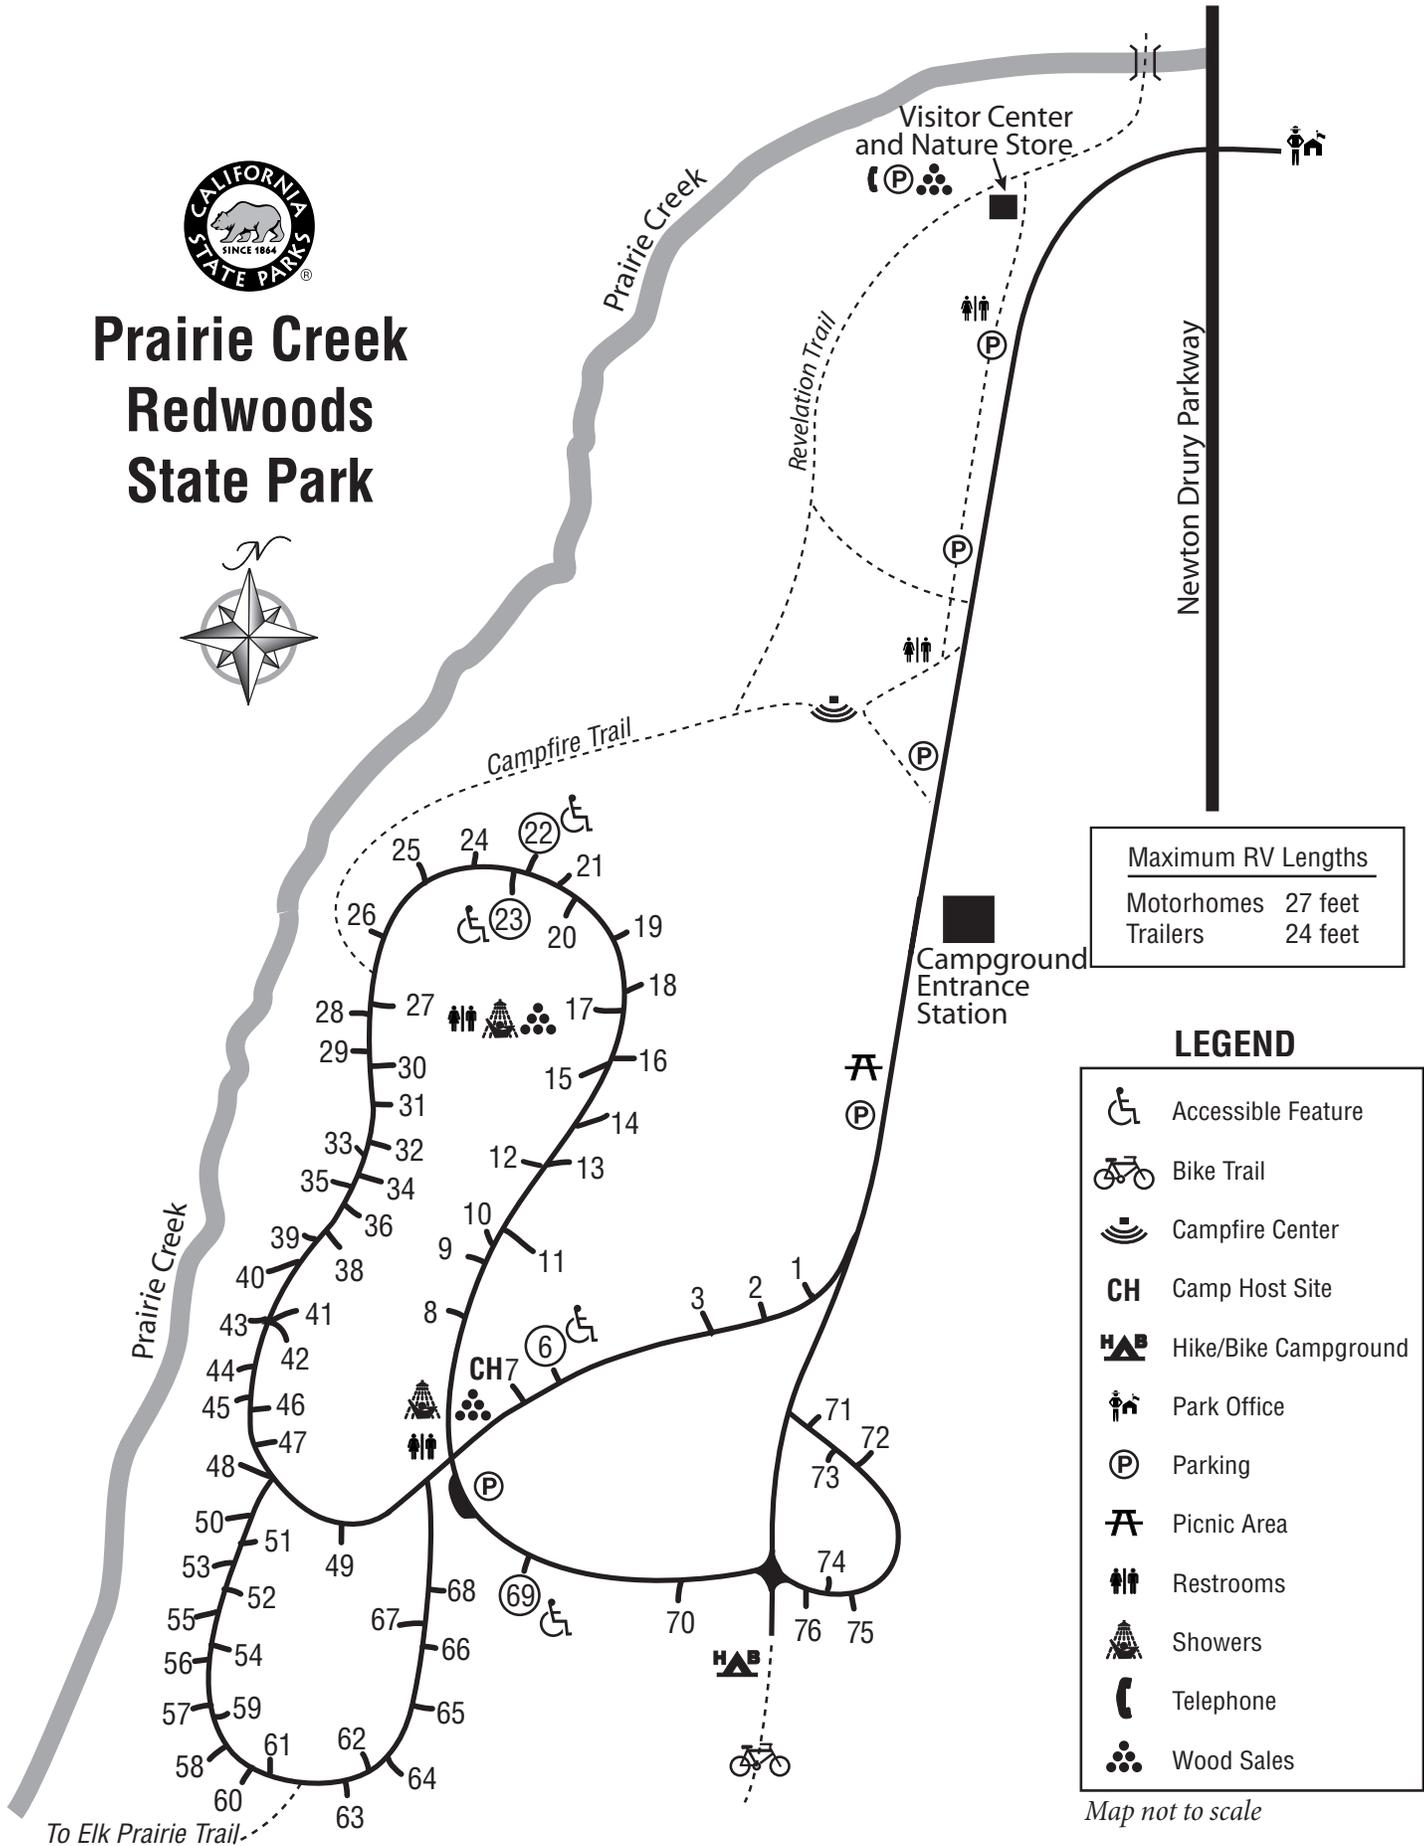

PLANTS, FLOWERS, natural scenery and animal life are protected by law from human disturbance of any kind.
